

SERVICE TECHNICIAN (HVAC CERTIFIED) – DOMINION PARK, SAN ANTONIO, TX 78240

Dominion Park has a great opportunity for an experienced Apartment Service Maintenance Technician to join our team. Our Service Technician will be working in a team environment and the ideal candidate will have a minimum of 1 year of related apartment maintenance experience and have an HVAC certification. Bilingual in English/Spanish would be a plus, but not required.

Some of the job duties would include:

- * HVAC Certified (Multifamily)
- * Plumbing
- * Heating
- * Electrical
- * Appliance repair
- * Painting
- * Maintain accurate records of service tickets
- * Identify, schedule and execute preventative maintenance projects
- * Available to work weekends if necessary on a rotating on call schedule

Our candidates should have high energy, enjoy and take pride in providing excellent service, capable of working in inclement weather and have good communication skills. We require that you have your own reliable transportation.

TriVest McNeil Real Estate is an established management company that offer a competitive compensation package including excellent pay, with quarterly performance bonuses, 401-K match and immediate health insurance available. Mileage paid while on call. As a condition of employment we would require satisfactory employment references, drug test and background check.

For immediate consideration, email us your resume at info@trivestcares.com

Thank you for your time.
